

Assembly Instruction – Top Units for Sideboards

Thank you for purchasing this Top Unit from IN LIVING. Please read the instructions and warnings carefully before use to ensure safe installation and operation of this product.

Recommended Tools

Please ensure leaflet is read in full and retained for future reference.

This product is **HEAVY**, please unwrap this Unit carefully, ensuring it is as close as possible to point of use. **Take care when lifting** to avoid personal injury and (or) damage to the product.

Wall fixing - if in doubt seek professional advice.

On all shelving units there is a wall restraint to stop the unit falling forward.

It is recommended that this product is only fitted by persons competent in DIY. If in doubt, consult a qualified person.

The wall plugs provided are suitable for solid stone or brick walls. For other wall types (e.g. hollow plasterboard) use appropriate wall plugs.

Fittings checklist

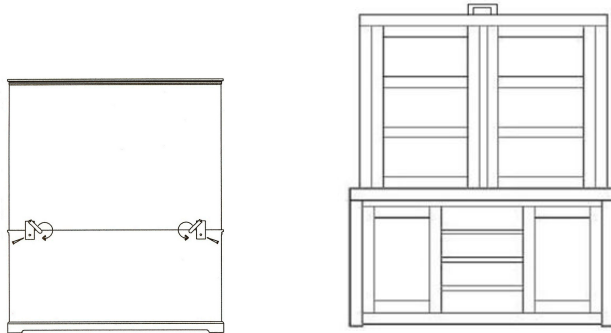

Supplied with the Unit: -

1 Metal Bracket

3 Short Screws.

1 Long screw and wall plug (plastic Sleeve)

ASSEMBLY:

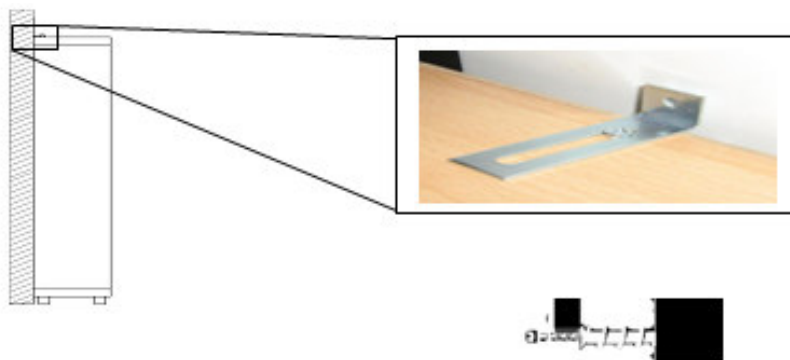

Your Top Unit is supplied with 2 metal plates which are positioned at the rear of the cabinet. Please ensure that these metal plates are turned up before placing the Top Unit on the Sideboard.

Place the Top Unit to sit flush with the back of the sideboard. Turn the Plates down and fasten with the 2 short metal screws provided in the assembly pack.

Now screw the metal bracket through the long slot provided for adjustment into the pre-drilled holes on the top back edge of the Unit.

The unit should be placed in its final position. Once you are satisfied with your positioning of the unit, mark the position of the wall. On the marking taken drill a hole in the wall and fit the plastic sleeve in this hole, match the hole in the metal bracket and the hole on the wall, (**as shown in fig 1. below**) with the screw provided secure the metal bracket to the wall. Great care should be taken in the fixing the metal bracket to the wall.

Your product is now ready for use.

Please retain this information leaflet for future reference.
